SECOND ANNUAL STATE DECLAMATION CONTEST

To Take Place in Normal Auditorium on Friday Evening.

The second annual high school state declamation contest will take place in the auditorium of the Tempe normal school on Friday evening next, March 14, under the auspices of the Tempe Normal Student. The contest will be open to the general public free of charge.

Invitations have been sent out by the editor in chief of the Student to the principals of the high schools of Tombstone, Bisbee, Tucson, Prescott, Mesa, Phoenix, Tempe, Jerome, Douglas, Yuma, Clifton, Glendale and Globe requesting representation from those schools in the contest. So far but few answers have been received, but as there are several days to elapse before the day of the contest, there is some time in which the answers can be received.

As far as the valley schools are concerned preliminary contests have been held and the representation decided. This will give representation from at least four of the high schools. Two medals, one gold and one silver, are offered each year, together with the championship title. The present holder of the championship is Miss Edna Jenkins of the Tempe high school.

After a lingering illness of more than a year, Mrs. Emma Henderson, aged 48, died at the family residence on East Eighth street yesterday morning at 2:15 o'clock. She is survived by seven sons, five daughters, and her mother, all but one of whom were present at the home yesterday. One son and her husband has preceded her to the great beyond. Funeral services were held last evening at five o'clock from the home, Rev. R. E. Dunlap, pastor of the Christian church of which the deceased was a faithful member, officiating. Interment was made in the Double Butte cemetery.

VAUDEVILLE TROUPE COMING.
The Anderson troupe composed of four members, all of whom are fully up to date in their respective lines, will entertain the amusement public of Tempe on next Thursday, Friday and

Remarkable Catarrh Cure
Gets Right into the Affected Parts and Stops Gathering in Eyes, Nose, Throat and Lungs.

"Nine-tenths of humanity suffer with catarrh but do not know what catarrh is," said an expert doctor, a specialist in blood analysis. It is treated locally because nature tries to drive it out of the system. But nature must have help. Nasal catarrh is merely an outlet, and it is folly to expect a cure by inhalants or local applications. If a stream is polluted at its source it is ridiculous to waste time in purification at its mouth. By a long series of elaborate experiments at the Swift Laboratory it is definitely known that catarrh can be cured by the simple process of inoculating the blood with antitoxin remedies that stop inflammatory conditions throughout the mucous linings of all the organs of the body. This is done with the famous Swift's Sure Specific, or as it is widely known, S. S. S. It is taken into the blood just as naturally as the most nourishing food. It spreads its influence over every organ in the body, comes through all the veins and arteries, enables all mucous surfaces to exchange inflammatory acids and other irritating substances for arterial elements that effectually cleanse the system and thus put an end to all catarrhal pollution. S. S. S. cleans out the stomach of mucous accumulations, enables only pure blood-making materials to enter the intestines, combines with these food elements to enter the circulation, and in less than an hour is at work throughout the body in the process of purification.

You will soon realize its wonderful influence by the absence of headache, a decided clearing of the air passages, a steadily improved nasal condition, and a sense of bodily relief that proves how completely catarrh often infests the entire system. You will find S. S. S. on sale at all drug stores at \$1.00 per bottle. It is a remarkable remedy for any and all blood affections, such as eczema, rash, lupus, tetter, psoriasis, boils and all scrofulous conditions. For special advice on any blood disease write in confidence to The Swift Specific Co., 127 Swift Bldg., Atlanta, Ga. Do not delay to get a bottle of S. S. S. at your druggist.

INTERESTING LECTURE.
Rev. Chas. H. Dains, pastor of the Congregational church, delivered a very interesting lecture Sunday night to one of the largest audiences that has been witnessed in the house this year. The lecture was upon Longfellow's poem "Evangeline" and was beautifully illustrated by the help of the stereopticon machine. Mr. Dains is now planning to give a lecture by the aid of the stereopticon on "Hiawatha" on the first open date.

MISSIONARY LECTURE.
Rev. C. O. Johnston delivered a very interesting address to the Baptists of Tempe on Sunday evening on work he is accomplishing in the missionary field in the interests of the Baptist home missionary association. Mr. Johnston is now touring this portion of the country attending to missionary work.

FIRST SPRING HAY.
It may seem a little early to start the spring harvest of alfalfa hay but G. R. Finch of Tempe has already successfully cut and cured thirty acres. Mr. Finch planted his crop early in November and claims that had he let it go until the regular harvesting season the yield and quality would not have been as good by far as it is at present.

SCHUBERT CLUB COMING.
The famous Schubert Symphony Club, composed of five members who render the highest class of vocal and instrumental music, will appear in Tempe under the auspices of the Ladies Aid society of the Christian church on the evening of March 27th. The entertainment consists of pieces by the quartet, monologues, readings, vocal solos, mandolin solos and other very interesting numbers. This same club has visited Tempe twice in the past under the auspices of local organizations and their appearance the third time will prove the same sort of success the other two have been.

NORMAL VS. TOWN.
Encouraged in some respect by the fact that no other team in the valley has so far found it possible to put one over on the fast normal nine, the base ball artists of Tempe are getting together an aggregation which they propose to term the "Invincibles." Whether the name will stick true remains to be seen tomorrow evening when the two teams will engage in a combat on the normal grounds after school hours.

HAYDEN
On next Sunday, the 16, a squad of ten marksmen of the Ray Gun club will be in Hayden to match their skill against that of a squad of local talent. There is no trophy up for the contest, but the honor of exhibiting the superior marksmanship has aroused a great deal of interest and the contest will probably be a close one. The home team has

not had a great deal of time for practice, but gets out to the traps at every opportunity, endeavoring to get into better condition. If the present fine weather prevails on the occasion of the meet it is sure to be a gala day for Hayden.

C. F. Duda, Thursday for Chile. South America, to accept a position with the Braden Copper company. R. M. Cook, formerly connected with the A. S. & R. company's general offices here, is back in Hayden after an absence of several months, during which time he has been with the Swansea Mining company at Swansea.

Bob Jones promises that he will soon establish an auto stage service between Hayden and Ray to be operated Saturday and Sunday of each week. There is no doubt that he will get large patronage from week-end excursion parties from one town to the other. At present one cannot go and return the same day without a special conveyance. The auto to be used in this service is a nine passenger car, and will be ready for use in the near future.

Manager J. S. Carter, accompanied by Mrs. Carter, stopped in Hayden Saturday evening on his way from Ray to Tucson, traveling in his big Lozier touring car.

Joseph H. Browne and Joseph S. Bordwell went down to Higley Saturday in the interest of their ranches which they are developing there. They have both taken up very promising tracts and will develop them in the near future by the installation of pumping plants to supply water for irrigation.

John Q. MacDonald, superintendent of Mills, is in Tucson, having accompanied the Cates party from this point Sunday morning.

Lamara Theater.
"The Little Minister" will be shown at the Lamara for three days commencing today. This delightful photo play is adapted from J. M. Barrie's famous story. It is a Viennese production in three parts and brims with scenes emotional and intensely interesting. Those who have seen Maude Adams play the part of Babette will enjoy Clara Kimball Young in the same role, that of the whimsical, lovable gypsy girl. Young is admirable. In the part of the little minister, the rest of the cast is good and there is an atmosphere of Scotland throughout the production as a whole that "ye hanna ken ye're in Scotland the noo." It is over all too soon and one is left with a tear in the eye and a smile on the lip. An amusing comedy in which Max Holley, the clever comedienne with the Lubin company plays the lead, is entitled "Stage Struck Sally." It is a perfect plot of mirth. "An Accidental Dentist" is a three-act comedy with fun.

GLENDALE
GLENDALE, Ariz., March 11.—Mrs. Brown Daniels has resigned her position as telephone operator at the local exchange, and Miss Jessie Roach has taken her place.

Miss Ethel Ward visited friends in Tempe Saturday and Sunday. Miss Ann Farwell was the guest of Miss Graham in Phoenix Saturday and Sunday.

John Morgan and W. A. Singleton engaged in an argument over some work yesterday which resulted in quite a lively scrap. Singleton claims that Morgan did most of the fighting, and later came to town and had Morgan arrested. The hearing came on today, and Morgan was held to answer to the supreme court.

Desda, the little daughter of C. W. Campbell is very ill with scarlet fever.

Mark Hines, representing the McNeil company of Phoenix was out today taking orders for stationery and office supplies.

A. R. Harris who came here recently by train Santa Barbara California, is seriously ill at his home on East Washington street with pneumonia. His son C. C. Harris is expected tonight.

Miss Jessie McLaughlin and Miss Bernice McLaughlin of Phoenix visited with their sister here Mrs. R. F. Stauffer Friday night and Saturday.

The Best Cough Syrup is Easily Made at Home
Costs Little and Acts Quickly. Money Refunded if It Fails.

This recipe makes a pint of cough syrup, and saves you about \$2.00 as compared with ordinary cough remedies. It stops obstinate coughs—even whooping cough—in a hurry, and is splendid for sore lungs, asthma, croup, hoarseness and other throat troubles.

Mix one pint of granulated sugar with 1 1/2 pint of warm water, and stir for 2 minutes. Put 2 ounces of Pinex in a bottle, and add the sugar syrup. Take a teaspoonful every one, two or three hours. Tastes Good.

No other preparation will do the work of Pinex in this recipe, although strained honey can be used instead of the sugar syrup, if desired.

Pinex, as perhaps you know, is the most valuable concentrated compound of Norway white pine extract, rich in gualic acid and the other natural healing pine elements.

AMUSEMENTS

The Coliseum.
Madame Leo and her pyrreries are coming to the coliseum, their engagement beginning this evening. This act is one of the finest on the vaudeville circuits of the west and is almost twice as expensive as the usual attraction of its kind. Among the bugs is a Salome dancer, who imitates the women artists who have made this performance famous.

In the quietest possible manner, then there is the Eva Tangany dog, who takes off the rough house subterfuge in the most life like way. Rhodes and McFarland will put on a spectacular musical act, with comedy interspersed in jokes and songs.

Hop Yarnon, who has made one of the greatest hits at the Coliseum, has been engaged for another week and will continue her vivid impersonations. The photo plays will all be new and attractive.

The Empress.
The Empress is still giving the people amusement at popular prices. Three good vaudeville acts, in addition to us fine movies are to be seen in the city, makes a program that is getting the patronage every night. De Verno and Ven, Billy Burns and Rose and Powell are the performers at present.

Hart Theater.
"Two Ropes and a Girl" is the title of the playlet that opened at the Hart Sunday matinee and night, and packed the little theater to the doors. There will be an entire change of program Thursday.

Plaza.
The Plaza will have an entire change of pictures tomorrow, featuring a Kayben special.

Trains No. 6 and 34 are held at Tucson one hour after scheduled leaving time if necessary in order to make connection with Southern Pacific trains Nos. 8 and 4 respectively.

Particular attention is called to the fact that E. P. & S. W. main line trains are now operated to and from Tucson instead of from Benson, and that passengers for points on the E. P. & S. W. via Benson have to lay over at both Benson and Fairbank, while the connections at Tucson with the Southern Pacific Company are very good.
